## THE EVANGELIST HYMN BOOK.

The Evangelist Hymn Book is the title of a little work compiled by Elder H. R. Holsinger, for use in revivals by our evangelists. The compiler says in his Preface:

"This little book is intended to be used by traveling ministers, and in out-of-the-way places, where the congregations are not supplied with regular church hymn books. Ministers can carry a supply with them, and have them distributed to all who wish to use them; at the close of the service announce that the books are for sale at five cents each; that those who wish to keep one will drop that amount into the collection basket, and those who do not wish to purchase them will drop the books into that receptacle. When the series of meetings closes the worn books can be taken to the next place, and so on until they are worn out. In this way it is hoped that the song service will be more intelligent and devoted, because all may have books, and it is believed that it may be made self-sustaining, financially."

It will be ready by Sept. 1st, and will be sold at five cents per copy, single, fifty cents per dozen, and four cents each in lots of twenty-five copies or more.

Now brethren, notify us how many you shall need, and we will know better how many copies to print.
